about ME

I'm a recent transplant from Upstate NY to High Point, NC. I moved here to be closer to family and am in search of the perfect place to start a career in the area. I'm extremely hardworking, dedicated, and detail oriented. I know how to hit it hard when the time is pressing and a deadline is near. Importantly, I also know when the time is right to lay back and enjoy the small things. I get along with almost everyone I come across and often find myself as the bridge that brings people together.
